

2012 – IOWA CRAFT BEER TENT – IOWA STATE FAIR

VOLUNTEER POSITION DESCRIPTIONS

SETUP - This is a new position that we have added to the Iowa Craft Beer Tent. You will help with whatever needs done to help setup for the fair. You must be a hard worker and willing to help with any task that needs completed. You will receive 2 drink tickets, shirt, ticket to visit the fair at a later date (no ticket is needed on setup days), and we might even buy you lunch.

SERVING - This is the most desired position at the Iowa Craft Beer Tent each year. You will be stationed at a trailer with 9 taps that you are responsible for pouring and helping fair goers choose a beer. Depending on the day you will either be at the trailer by yourself or with an additional person. You will be allowed to sample each of the 9 beers when your shift starts. After you sample them drinking is not allowed behind the counter. You will be allowed a lunch break during your shift (trust us, finding food is not a problem). You will receive 1 shirt, and a ticket to get you into the fair. Transportation and parking is your responsibility.

TATTOOS - This is one of the more interesting things to do at the Iowa Craft Beer Tent. If you like to talk to people, and are not afraid to walk up to people this may be the job for you. You will be applying rub on tattoos to fair goers that are enjoying beer in the tent. When done right, this job is a blast!

TICKET SALES - Are you good at math or money? Then this may be the job for you. You will be responsible for selling beer tickets to customers. If you are working nights, you will also have the best view of the band perched high upon your retro bar stools. Ticket Sales may also be asked to do wristbands as well.

WRISTBANDS - We need to make sure everyone drinking beer is 21, it's the law. This is a pretty easy going relaxing job of checking ID's and applying wristbands. Wristbands may also be asked to help with ticket sales if it is needed.

TEARDOWN - All good things must come to an end. Last year we thought a few extra hands that haven't been working for 14 days straight would of been great. You must be a hard worker, as we will take down everything except the tent before 5PM the day after the fair. We will provide lunch, drinks, a shirt, and a few other goodies to make it worth your while. At this point, we are so tired who knows what we will give you.
